If you were a little late off the mark this morning you may get the chance to see the local blue penguins come ashore at dusk. Continue down the coast to Moeraki, and take a detour towards the beach to see the Moeraki Boulders, a unique geological feature and well worth the look. As you arrive in Dunedin, take in the city's Edwardian and Scottish heritage reflected in the buildings around the city centre The Octagon.

Your accommodation: Motel on York

Motel on York is located in the heart of Dunedin city. The property offers superior accommodation only 300 metres away from cafes and restaurants.

Day 4

Explore Dunedin and the Otago Peninsula

Known as the Edinburgh of the South, Dunedin City has a heavy Scottish influence. Surrounded by rugged coastal plains and windswept beaches it's home to an eclectic mix of historical and modern architecture as well as industrial technology. Renowned for its Flemish Baroque-inspired 'gingerbread house' Railway Station, this university town is bustling with life. Head to the Saturday farmers market held in the aforementioned railway grounds for a taste of organic produce, handmade crepes and local honey. Explore the many cafes and wine bars in The Octagon, then continue on a self-guided walking tour of the internationally acclaimed Street Art dotted around the city. Drive to the coast and watch the freighters passing in the distance while you sunbathe, or hire a mountain bike and test your legs on one of the many trails available in the area. On your tour, you will learn about the issues the Yellow Eyed Penguin faces, their life cycle, and how the project is carried out. Your experience will begin in a theatre before moving to the rehabilitation center where penguins may be seen up close. You'll take a short bus trip over to the reserve and be led on foot approx 2km by your guide through a system of covered trenches to view hides that allow access to the living and breeding habitat of this very shy bird without disturbing them. There is also an opportunity to meet other animals that reside in the reserve including fur seals, sea lions, and several species of shore and land birds.

SUGGESTED ACTIVITY - Larnach Castle and Gardens

Larnach is New Zealand's only Castle, built in 1871 by politician and merchant, William Larnach, a man of great vision who helped shape New Zealand's early history. It was built for William's beloved first wife Eliza; it took 200 workmen three years to build the shell and a further twelve years were spent by master craftsmen to embellish the interior. The Castle is located high up on the Otago Peninsula and looks down on Dunedin city giving beautiful views. The gardens have an International Garden of Significance status and have a unique collection of antiques, including a unique nine piece Totara knot suite. The Ballroom cafe is a fantastic place to rest and reflect on all you have seen while enjoying a delicious range of refreshments. As with the entire castle, the ballroom had an interesting and varied history prior to its beautiful restoration, uses ranged from an asylum, antique sales room to the penning of sheep. In this self guided exploration of the castle and gardens, you are free to discover on your own.
